Take advantage of this opportunity to avail yourself of all the wonderful resources here at LSU and in the Baton Rouge community.

This handbook includes policies, guidelines, deadlines, and helpful hints to assist you in the completion of your undergraduate music degree. Additional important information, including a degree audit regarding your specific curriculum, is available from your MyLSU account at www.lsu.edu. Curriculum guides for the various baccalaureate degree programs in the School of Music are included in this handbook.

The faculty and administration are here to guide you through this process; however, you are responsible for the completion of your degree. Becoming thoroughly familiar with this handbook, curriculum guides, eight semester recommended paths, and the LSU General Catalog will help in the initial stages of your degree work. If you have any questions, please see the Assistant Dean for Undergraduate Studies.

Read this handbook and the LSU catalog. Attend classes regularly and keep up with assignments. PRACTICE!!! Seek help if you need it, in classes or personally. The faculty and administration are available for you, and the Student Health Center and Office of Student Services offer a variety of services.

Feel free to contact me if you need any assistance.

The University and the School of Music reserves the right to change any provision, offering (courses or services) or requirement at any time within the student’s period of study at LSU. All classes, policies, procedures and stipulations are only approved for the year of the handbook regardless of when students enter the program. Students are required to adhere to the policies outlined in the most current School of Music Handbook. Each student is personally responsible for becoming informed of any changes in the Handbook during the period of his or her education at LSU as well as completing all requirements established for his or her degree by the University, college, and department. It is the student’s responsibility to learn these requirements.

Please see the LSU Catalog, the curriculum guides in this handbook, or search the LSU Online General Catalog for specific course requirements for each degree.

Academic Requirements for Obtaining a Degree:
Students must maintain a grade point average of 2.00 on all work taken, except for those courses in which grades of P, W, or I are recorded. You must have a cumulative GPA of 2.0 on all college work taken at this and any other university in order to graduate from LSU. In addition, all music majors must achieve a grade of C or higher in all music and music education classes. Music Education majors must receive a C or higher in all required PSYC and MUED courses and ENGL composition and achieve an LSU overall 2.5 GPA as stated in the catalog.

Students must also fulfill a minimum residency requirement of two semesters (or four summer terms), earn at least 25% of the total number of hours required for the degree at this University, and meet the residency requirements of their college as stipulated in each “college” and “school” section of the catalog.
Students must meet all degree requirements as stated in the catalog.

GPA calculations: It is vital that you be aware of your current standing in the University so that
you may make reasonable decisions concerning registration, outside activities, future plans, etc. This information is available at the END of the degree audit (accessed via MyLSU) and labeled “Current Academic Standing”. A GPA calculator is also available at www.lsu.edu/cas. If you have questions about your GPA, see the Assistant Dean for Undergraduate Studies. For GPA problems that threaten eligibility of your scholarship, see the Assistant Dean for Finance.

**Mandatory Advising:** Freshmen Music majors must see the Assistant Dean for Undergraduate Studies prior to scheduling classes in the first two semesters. After the freshman year, advising is strongly suggested but is not mandatory prior to scheduling.

**Degree audits:** A degree audit is a computer-generated document indicating courses completed and what is yet required to complete your degree so that you can plan effectively which courses to schedule. The degree audit changes each semester as you complete courses.

**Registration:** Spring Invitational or Freshman and Transfer Student Orientation: New students are required to attend one of these sessions at which time they are able to take advanced placement tests and register for classes.

In subsequent semesters, the registration procedure is a computer-access system. Detailed instructions for completing this part of registration are given in the Schedule of Classes, available online. Although students create and submit their own schedule requests on-line, consultation with an academic advisor is recommended when choosing courses each semester. While entering students may schedule courses during Orientation without penalty, stiff late-penalties apply to continuing students who do not meet the pre-registration and fee payment deadlines.

**Late Registration - Drop/Add Policies:** University policies concerning Drop/Add may be found in the LSU General Catalog. Students beyond the freshman year are able to drop courses by using MyLSU through the final date to drop each semester. Freshmen must contact the Assistant Dean for Undergraduate Studies to drop classes.
ABS (Advance Billing System): LSU has implemented a system designed to enable the majority of students to conduct University financial business via MyLSU. As an LSU student, you will automatically have an account in this system. Class schedules resulting from advance registration will be included on your MyLSU account. Fee bills are not mailed. They must be accessed via MyLSU. You must pay your fees on or prior to the due date listed on your fee bill. You must complete registration through your MyLSU account, even if the amount due is zero. If your payment is not received by the due date, your classes will be purged from the system. If you pay fees after the due date, you will be assessed a late registration service charge. Complete information on the ABS system is available from the Office of the University Registrar. Make sure that your mailing address, home phone number and cell phone number are kept current on the LSU system. Use your MyLSU account to update this information.

Retroactive adds: Courses are not normally added to a student’s schedule after the 6th day of classes. If a course must be added, and circumstances are beyond the student’s control, the retroactive add will be considered. All requests for retroactive adds must be made to the Assistant Dean, with an explanation as to why the course must be added and approval from the faculty member teaching the class. Retroactive procedures will be considered only in exceptional instances.

Excused Absences from Classes and Rehearsals: Excused absences may be granted for certain off-campus performances or obligations that are directly related to the LSU experience. The Dean of the College of Music & Dramatic Arts must approve all such requests from ensemble directors. It is the student’s responsibility to keep up with assignments and make up work assigned and/or covered in their absences. All such conflicts should be dealt with at least 30 days prior to the absence.

Ensembles

Auditions: Auditions for ensembles are handled by individual directors. Procedures vary; check with each director for details. Most ensemble auditions are held in the week before classes begin for the academic year in August.
Participation: Students enrolled in primary lessons will be required to participate in an ensemble at the faculty’s discretion. Placement in said ensembles is also at the faculty’s discretion. BM students must participate in a large ensemble for 8 semesters. BME and BA students must participate in a large ensemble for 7 semesters.

Accompanying Services: Students should be prepared to provide (and pay for) their own studio accompanist as requested by your applied teacher. A list of free-lance accompanists may be obtained from the Professional in Residence for Accompanying. See contact information, p. 6 in this handbook.

Piano Proficiency:

Requirements vary within each degree program. Consult your catalog and/or degree audit for specific courses required within your program. All BM and BME majors must pass the Piano Proficiency exam.

The Proficiency Exam is given only at the end of the fall and spring semesters during finals week. Students must be enrolled in MUS 1133 or obtain permission from the coordinator of Group Piano to take the Piano Proficiency Exam. The four semesters of group piano are designed to be taken during the freshman and sophomore years. Please be aware MUS 1130, MUS 1132 and MUS 3334 are offered only in the fall semesters and MUS 1131, MUS 1133 and MUS 3335 are offered only in the spring semesters. Failure to stay on schedule may delay your course of study.

Jury Examinations: Jury examinations are designed as a final examination in your applied instrument area. Different areas within the School of Music administer these examinations in a variety of ways. Check with your private teacher for more information.
Upper Divisional Examinations- At the end of the 4th semester of study as a music major, all music majors are expected to demonstrate proficiency as performers. This upper divisional examination is given at the time of the jury examination and may have additional requirements. Students failing this examination may be advised into another major. In addition to performing proficiency, music education majors are required to pass the Reading, Writing, and Math portions of the Pre-Professional Skills Test of the PRAXIS series and to achieve a GPA of 2.5. Music Education students must also pass the piano proficiency exam by the end of the sophomore year. Vocal Music Education students whose instrument is piano must satisfy vocal proficiency requirements. Music Education students who do not meet these requirements will not be allowed to take their junior level MUED classes.

**Scholarship policies**

1) Some School of Music scholarships are available only for music majors. If your scholarship is one of these and you change your major, your scholarship will not be renewed.

2) Music scholarships are normally renewable for four years. Honors scholarships are available for a maximum of four years, with no extensions. TOPS Scholarships are usually granted for 8 semesters. Music Scholarships awarded through the office of Student Aid (on the recommendation of the Director of the School of Music) are also renewable for 8 semesters and include the Premiere, Flagship, Academic and Tiger Music Scholarships.

3) For scholarships awarded directly by the School of Music, a minimum 2.75 cumulative GPA and a 3.0 cumulative GPA in music and music education classes must be achieved and maintained. If a student fails to meet these requirements, and/or fails to make satisfactory progress in the degree program, the student will enter a probationary period of one semester. If at the end of the probationary semester, the student has not achieved the requisite GPA, and/or is not making satisfactory academic or musical progress, the scholarship will not be renewed. For TOPS and Honors scholarships, as well as the aforementioned Premiere, Flagship, Academic and Tiger Music Scholarships, the GPA requirements are slightly different. Regardless of scholarship type, check your original scholarship agreement for GPA and retention requirements.

4) Students must maintain full-time status (12 hours) to remain eligible for a scholarship.
**Satisfactory Progress**: Students falling more than one year behind in the completion of the expected sequence of courses will be considered as *not making satisfactory progress*. In addition, students failing to pass the upper divisional barrier examination after two attempts will be considered as *not making satisfactory progress*. Such a determination from either cause will result in the non-renewal of the scholarship and possible removal from the program.

Some applied areas require a minimum grade point average in the applied area before the upper division examination may be attempted. A maximum of six semesters may be used to achieve the appropriate GPA.

**RECITAL REGISTRATION AND SCHEDULING**

The School of Music Recital Hall is used for a wide variety of events. Following the guidelines for scheduling rehearsals and recitals will avoid last-minute crises. Guidelines and forms are only available online at www.music.lsu.edu. All recitals must be recorded by the School of Music recording staff. All recital programs must be printed in the standard format by staff from the School of Music. A nonrefundable fee of $75.00 is charged to the student for all degree-required and non-degree recitals.

Some restrictions apply to student recital dates, times and locations.

1. Students may only request degree-required recitals during peak performance seasons (i.e., the last 8 weeks of the fall and spring semesters).
2. Degree-required student recitals must occur in the School of Music Recital Hall unless approved by the administration (organ recitals occur at locations other than the School of Music).
3. Student recitals may not be scheduled during the Concentrated Study Period, Final Exams, or on University holidays. Student recitals may not be scheduled on Saturdays. Sunday recital slots are available for recitals only during the peak month of April.
4. Recital Times: Monday – Friday at 4:00 pm, 5:30 pm or 7:30 pm. Students requesting a 4:00 pm recital will be required to have a signature from their applied instructor insuring that the performance, including intermission, will not exceed 60 minutes. There will be Sunday time slots available in the Recital Hall during April. Those time slots will be 2:00 pm, 4:00 pm, and 6:00 pm.

5. Dress rehearsals in the Recital Hall may be scheduled for 1.5 hours during the following weekday time periods: 9:00 am-10:30 am, 10:30 am-12:00 pm, 12:00 pm – 1:30 pm or 1:30 pm-3:00 pm. Weekends are also available for 1.5 hour blocks. It is the user’s responsibility to pick up a recital hall key in advance.

PROCEDURES

1. Register for the appropriate course number and the correct number of hours. You may not reserve a recital date without proof of registration and fee payment. Submit a copy of your schedule with your recital request. Recital requests will not be considered without the appropriate documentation. This is required for degree and non-degree recitals.

2. The School of Music provides a staff collaborative pianist for Doctoral Solo Recitals. Therefore, the collaborative pianist’s signature is required for Doctoral Solo Recitals only. All other collaborative services are the financial responsibility of the student.

3. Check the dates of events on the School of Music Planning Calendar. Recital date requests should avoid any conflict with major ensemble and faculty performances. Check the dates of events outside the School of Music such as the Louisiana Sinfonietta, Baton Rouge Symphony, or Acadiana Symphony.
4. Check dates with your collaborative pianist, applied teacher and ensemble members. When you schedule your recital and dress rehearsal, we will assume that you have made sure that your applied teacher and collaborative pianist are available to attend your chosen dates.

5. Set up an appointment with Bill Kelley via the Recital Scheduling Appointment Calendar

6. Meet with Bill Kelley and your recital and dress rehearsal will be entered onto the calendar as you meet together. E-mail confirmation of the recital date will be sent to the performer, applied teacher, collaborative pianist, and any identified ensemble members. Priority for scheduling recital requests is on a first-come first-served basis for all recitals. Graduate students receive first priority, undergraduates receive second priority, non-required recitals receive third priority in the initial recital requests.

7. Dress rehearsals will be scheduled at the same time the performance date is set.

8. Once a recital date is set, it will not be changed except in a medical emergency. Documentation will be required (i.e. physician’s note). Rescheduling will require approval by the Director of the School of Music in consultation with the applied instructor.

Recital Programs:

Students MUST use programs prepared by the School of Music. Programs are official University documents. In addition to serving as a program for the recital, these documents are stored in archives to provide permanent records of School of Music activities. It is important that they be
uniform and professional in appearance.

Information and materials for making your program can be found on the LSU Recital Planning webpage at http://wp.music.lsu.edu/students/recital-planning.

Students must create their recital program and submit the proof for format editing and printing by the Production Team.

**Program Deadlines:**
Submit materials for your recital program to musicprograms@lsu.edu no later than THREE (3) weeks prior to the performance date to allow time for format editing and printing. It is the responsibility of the student to remember these deadlines and submit their paperwork. Do not wait to receive a request for the program from the Production Team.

It is the responsibility of the student to get the approval of the studio professor prior to submitting it to the Production Team.

Note that programs are printed five (5) business days prior to the recital date. If a completed program is not received prior to this point, the student will receive a generic program that includes only student’s name, along with the performance date, time, and venue information.

Programs are considered finalized after being printed. Any changes to the program made after they have been printed must be announced from the stage.

The creation and printing of any supplementary program materials (e.g., program notes, biographies) are the responsibility of the student.

Programs for events in the School of Music Recital Hall will be placed out by the event’s house manager—the performing student will not need to pick up the programs prior to the recital. Any recitals taking place elsewhere (e.g., organ recitals) will be placed in the studio professor’s mailbox and the student will be notified by email when they are ready for pickup.
Style Guide and Program Templates:
Students should use the LSU School of Music Style Guide and the Student Recital Templates located on the Recital Planning webpage to create their program proof. Instructions on creating your program are located in the Style Guide. To maintain a professional and consistent look across our School’s programs, students shall consult the Style Guide for all matters related to program content, design, formatting, and for guidelines concerning the submission of the program to the SOM Production Office for approval and printing.

Personal Safety: Building hours are 6:30 am - 11:45 pm M-F, 6:30 – 10:15 pm Sat/Sun. Prudence is advised as it is in any populated area. Please avoid practicing late at night if the building seems deserted. Try to arrange your practice schedule during times when the building is more populated. Lock your practice room door when inside and DO NOT OPEN IT TO STRANGERS. Note that the buildings may not be open on home football-game Saturdays in order to prevent unauthorized use of the building facilities by visitors to the campus. Report the appearance of unauthorized persons in the building or aberrant behavior to the Music Office or Campus Police immediately. Entrance into the building outside of building hours is strictly prohibited. Students doing so may be charged with breaking and entering and reported to the Dean of Students.

DO NOT LEAVE THE BUILDING ALONE AFTER DARK TO WALK BACK TO YOUR APARTMENT OR DORM. CALL CAMPUS TRANSIT (225-578-5555) FOR A RIDE.

CURRICULUM GUIDES
(pp. 20-30)
The curriculum guide sheets are designed to give an overview of the degree program, and the courses required to meet the degree requirements. Eight semester recommended paths can be found by consulting the LSU General Catalog online. Students who do not take courses when recommended may find it impossible to complete their degree program in four years. Realize
that certain courses will only be offered in alternate years. Plan early and plan often to avoid situations that require you to take courses that are not offered.
